Warning!

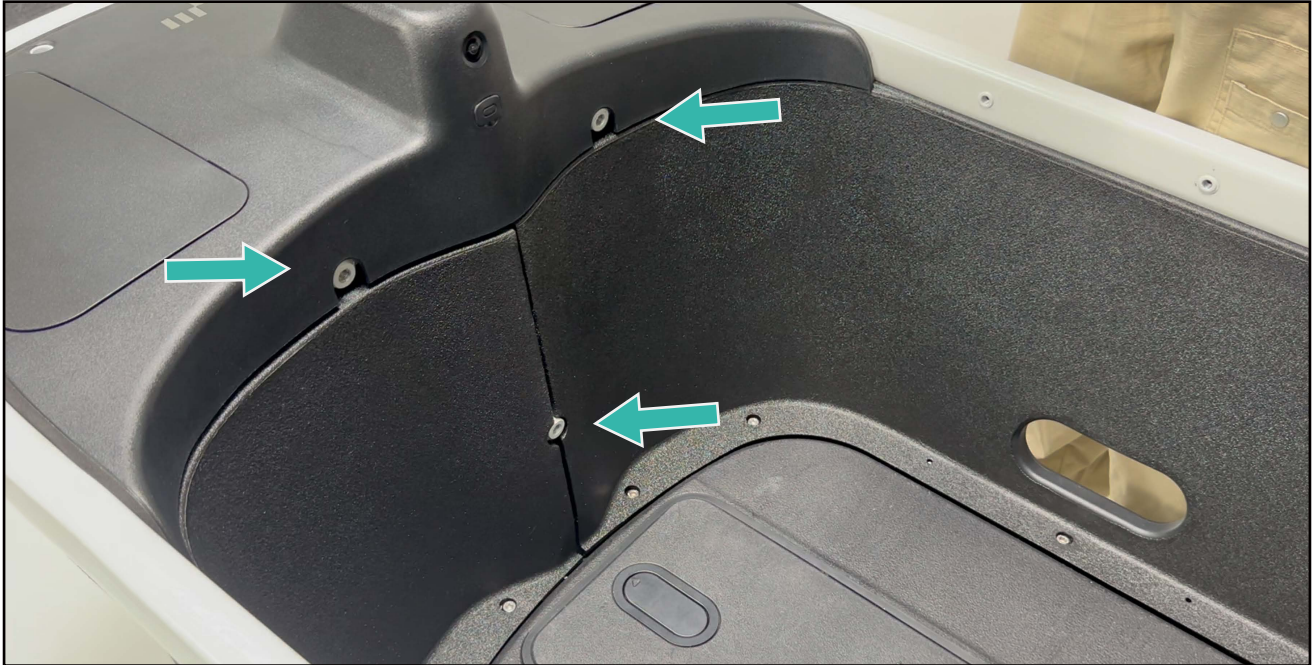

- Maximum load (5 kg) must not be exceeded!
- Use only original mounting hardware. Do not replace with third-party ropes or similar.
- Do not load sharp objects.
- Not for use by children. Adult supervision required at all times.

3. Specifications

- Material: Mesh, elastic, waterproof fabric, metal frame, zipper, nylon straps, eye screws
- Dimensions: 550 mm × 80 mm × 330 mm
- Weight: 0.9 kg
- Compatibility: TARRAN T1 Pro

4. Installation

1. Locate the three screw holes on the inner front wall of the cargo box.

2. Align the organizer with these holes.

3. Insert and tighten the top two screws (labeled 1 and 2) using the provided allen wrench. Tighten them to 4-5 Nm.

4. Insert and tighten the middle screw with eyelet (labeled 3).

5. Lightly pull on the organizer to ensure it is firmly attached. There should be no loose movement.

5. Usage

The Front Storage Organizer provides convenient storage with multiple pockets for organizing your essentials. Place frequently used items in the easily accessible compartments.

Important Safety Notes

- Maximum load capacity: 5 kg
- Do not place sharp objects in the organizer to avoid damage to the fabric.
- Do not exceed the recommended weight limit to prevent damage to the attachment points.
- Ensure the organizer is securely fastened before each ride.

6. Maintenance

- Clean the organizer with a damp cloth and mild soap as needed.
- Do not machine wash or tumble dry.
- Let the organizer air dry completely before storage.
- Avoid prolonged exposure to direct sunlight when not in use, as UV can weaken fabric and mesh over time.
- Inspect monthly for any signs of fabric wear or loosened screws.

7. Warranty

TARRAN provides a limited warranty for the Front Storage Organizer. For complete warranty information, terms, and conditions, please visit our warranty policy page at:
